

Peeling machine Metos Alto 10 kg

The robust, stainless steel Metos Alto 10 peeling machine is a powerful and ergonomic device to use. It peels even 10 kg of potatoes a minute. The model promoted is user-friendly, without forgetting the safe use of the device.

The Metos Alto 10 peeling machine digital control panel is located at the side of the unit at an ergonomic height. The control panel has a timer which is timed at 10-second intervals.

The blade sheath and wall can be easily removed for cleaning. The unbreakable, hinged, transparent cover is equipped with a magnetic switch. The lid and the drain hole of the device are easily closed. The electrical parts of the device are protected in the plastic housing.
