

Deli display Metos newZita Mini 937 V

Imple rectangular-shaped design, which blends well into different kinds of interiors. Traight glass surfaces of the display minimizes the reflections and mirroring in the display enabling a good view of the displayed goods

- especially suitable for short time storage of e.g. meat, sandwiches, tapas and salads
- open from the service side, which makes the refrigerated display space easily accessible when filling it up with products from the cold cabinets
- products can be kept cold in the stainless steel cold cabinets
- functionable 280 mm work table made of stainless steel on the service side which allows plenty of space to work, e.g. when cutting or packing products
- display area and kick plates made of stainless steel
- front and side panels in grey laminate
- energy efficient LED lights which give light to the exhibited products
- equipped with fan assisted ventilated cooling system and a digital thermostat and thermometer.
- temperature range for the food exhibited in the display is -1°C...+5°C, when the ambient temperature is +25°C and humidity 60% R.H. (climate/temperature class 3M1)
- frame structure made of polyurethane, ensuring good insulation
- self-contained

Accessories:

- wide range of other laminate colours
- cashier and corner units
- central cooling
- sliding plexi doors on service side
- neutral glass shelf inside display
- cutting and balance boards
- knife holder

Deli display Metos newZita Mini 937 V

Product capacity	214 litre
Item width mm	1017
Item depth mm	948
Item height mm	1190/1210
Package volume	1.172
Unit of volume	m3
Package volume	1.172 m3
Package length	102
Package width	95
Package height	121
Package unit of dimension	cm
Package dimensions (LxWxH)	102x95x121 cm
Net weight	130
Net weight	130 kg
Gross weight	216
Package weight	216 kg
Unit of weight	kg
Connection power kW	0.43
Fuse Size A	16
Connection voltage V	230
Number of phases	1NPE
Frequency Hz	50
Type of electrical connection	Plug
Electrical conn. height mm	50
Drain diameter	32
Cooling capacity W	429
Type of the refrigerant	R290
Quantity of refrigerant g	120
Sound level dB	60
